EIA Consultation Notice

Dear Ms O'Donoghue

I am to advise that an application for a licence was received by the Agency on 31/03/2016. The details of the application are set out below:

- | | |
|---|---|
| - Name and address of applicant: | Port of Cork Company, Custom House Street,
Cork, |
| - Location of facility: | Seafield & Reenrour West, Bantry, Cork, |
| - Class and Nature of the Activity: | R 5 - Recycling/reclamation of other inorganic materials, which includes soil cleaning resulting in recovery of the soil and recycling of inorganic construction materials
R 11 - Use of waste obtained from any of the operations numbered R 1 to R 10
R 13 - Storage of waste pending any of the operations numbered R 1 to R 12 (excluding temporary storage (being preliminary storage according to the definition of 'collection' in section 5(1)), pending collection, on the site where the waste is produced)" |
| - Relevant Inspector: | Caitriona Collins |
| - Licence Application Reference No: | W0290-01 |
| - Planning Application Reference No: | 12/00735 |
| - Date Planning Permission Granted: | 18/07/2013 |

A copy of the application, the Environmental Impact Statement (EIS) submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website www.epa.ie.

The Agency is carrying out EIA under Section 40(2A) of the Waste Management Act 1996 as amended, and you are required, for the purposes of Article 3 of the EIA Directive, to respond to the Agency within 4 weeks of this notice with the following information:

1. Furnish hardcopy of all documents relating to any environmental impact assessment carried out by your Department in respect of any development or proposed development comprising part of the activity to which the grant of any authorisations refer.
2. Furnish any observations your Department has in relation to the licence application.

Where it is intended to submit additional documentation with your observations, it would be much appreciated if you could include an electronic copy of all documents in pdf format on a CD ROM in order to facilitate the publishing of your observations and attachments to the Agency's website.

The application is being processed by the Agency and your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours sincerely

Dorota Richards
