14 June 2016

Reg. No: P0408-02

Dear Sir/Madam

I refer to the Agency's letter to you of 21 March 2016, giving you an opportunity to make a submission on the ongoing licence review within 8 weeks. That period expired on 17 May 2016 (= 8 weeks from 21 March plus one day for service of letter dated 21 March).

I note that the Agency did not receive any submission from you within that time. Accordingly, the Agency is now proceeding to adopt a proposed determination of the licence review, and will send a copy of that proposed determination to you in due course.

The Agency may propose to amend the existing licence, adopt a revised licence with new conditions in substitution for the existing licence, or to refuse a revised licence. In the event of refusal, the Agency may later suspend or revoke the existing licence. You will have an opportunity to object to the proposed determination within 4 weeks of it being sent to you.

Yours sincerely

---

Patrick Byrne  
Senior Inspector  
Environmental Licensing Programme  
Office of Environmental Sustainability
