re: Notice in accordance with Article 16(1) of the Waste Management (Licensing) Regulations

Dear Mr Murphy

I am to refer to the above referenced application for a waste licence relating to a facility at Seafield and Reenour West, Bantry, Co. Cork. The stage has now been reached where the Agency is giving detailed consideration to the application and to complete this task the following information, particulars and evidence are required in accordance with Article 16(1) of the Regulations.

Please provide complete answers to each question.

ARTICLE 16(1) - FURTHER INFORMATION, PARTICULARS AND EVIDENCE

1. Based on, and with reference to, the details presented in the Environmental Quantitative Risk Assessment, please provide proposed leachate limits for the treated sediment and demonstrate that the proposed leachate limits are protective of the relevant surface water environmental quality standards.

Your reply to this notice should include a revised non-technical summary (EIS and Application Form), which reflects the further information you supply in compliance with the notice, insofar as that information impinges on the relevant non-technical summary.

Please supply the information in the form of one original plus two copies within two weeks of the date of this notice. In addition submit two copies of the requested information to the Agency in electronic searchable PDF format on CD-ROM. Please note that all maps/drawings should not exceed A3 in size.

Please note that the application's register number is W0290-01. Please direct all correspondence in relation to this matter to *Administration, Licensing Unit, Office of Environmental Sustainability, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

Caitriona Collins
