Dear Sirs

**RE: ROADSTONE LTD., HUNTSTOWN QUARRY, FINGLAS, DUBLIN 11
WASTE LICENCE REVIEW APPLICATION FOR INCREASE IN ANNUAL INERT SOIL
WASTE INTAKE LIMIT AT EXISTING RECOVERY FACILITY**

Please find enclosed a waste licence review application, submitted on behalf of Roadstone Ltd., for an increase in the annual inert soil waste intake limit at its existing licensed recovery facility (Ref. No. W0277-01) at Huntstown Quarry, in the townlands of Huntstown, Kilshane and Johnstown, Finglas, Dublin 11, from 750,000 tonnes per annum to 1,500,000 tonnes per annum.

The review application also provides for the amendment of the licensed area to incorporate the existing West Quarry, take account of minor modifications to alignments of haul routes across the facility and the removal of a small area of land along the western boundary which has been transferred to a neighbouring property owner.

Note that the review application is being submitted by Roadstone Limited (formerly Roadstone Wood Limited) and that any amended / reviewed waste licence issued on foot of this application should be issued to Roadstone Ltd.

The Waste Licence Review Application comprises the following documentation

- 1 original hard copy of Waste Licence Review Application comprising completed and signed Waste Licence Application Form (with attachments);
- 1 No. hard copy of the Waste Licence Application Form (with attachments);
- 1 No. hard original copy of the Environmental Impact Statement plus 1 No. copy;
- 2 No. soft copies of the Waste Licence Application and the Environmental Impact Statement in .pdf format on accompanying CD-ROMs.

We declare that the content of the hardcopy form is a faithful reproduction of the electronic files provided on the accompanying CD-ROMs

A cheque for €6,000 is also attached in respect of the waste licence review application fee.

Should you require any additional information or clarification in respect of this waste licence application, please contact the undersigned.

Yours sincerely

SLR Consulting Limited
