15	Does the proposed alteration constitute a substantial change?	No
16	Does the proposed alteration require a change to a condition of schedule of the Licence?	Yes

Recommendation

Based on your responses to the forgoing questions the recommended option is for you to submit a 'Licence Review' application for this proposed alteration.

To progress this request you are required to so to the EPA website (www.epa.ie), complete the relevant Licence Application Form and follow the licensing application process. The application should be submitted to the EPA as specified in the licence application form or any associated instructions for applicants.

Recommendation Date: 11/11/2016

Clerical or Technical Amendment Application Details

see attached request in letter. Priority 1. Routine (c) Otherwise facilitating the operation of the licence (or certificate) and the making of the amendment does not result in the relevant requirements of section 83(5) of the EPA Act as amended/ section 42B(1) of the Waste Management Act as amended/environmental requirements ceasing to be satisfied
