13 January 2017

Reg No: W0184-02

Dear Mr Connolly

I refer to the Agency's review of licence W0184-01 for Enva Ireland Limited, Clonminam Industrial Estate, Portlaoise, Co Laois, and in particular to the proposed determination that issued on 6 December 2016 (Reg No W0184-02).

The Agency has received an objection from the applicant on 11 January 2017. Part of the applicant's objection relates to conditions attached to your consent to discharge to sewer under Section 99(E) of the EPA Act as amended, in particular to Schedule B.3: Emissions to Sewer.

In light of the above, I am to request your comments on the objection insofar as it relates to the conditions imposed by Irish Water. The applicant objection is available to view on the Agency's website.

An early response to this letter would be appreciated so that consideration of this application may proceed. Ms Caitriona Collins is dealing with this matter and can be contacted at the Environmental Licensing Programme of the Agency, Tel. No. 053 9160600 if you have any queries.

Yours sincerely

Programme Officer
Environmental Licensing Programme
Office of Environmental Sustainability
