AA Screening Determination:

That the activities are not directly connected with or necessary to the management of any European site and that it can be excluded, on the basis of objective information, that the activities, individually or in combination with other plans or projects, will have a significant effect on any European site and accordingly determined that an Appropriate Assessment of the activities was not required.

The reasons for which the Agency determined that an Appropriate Assessment is not required are as follows:

- The facility is not located within the above listed European Sites.
- There will be no emissions to surface water courses from the activities.
- The activities will not result in damage to, or loss of, species and habitats of these European Sites.
