Reg. No. W0292-01

***Notification under Section 42(1)(e)(iii) of the Waste Management Act 1996 as amended (The Act).***

Dear Director of Services, Planning

I refer to our previous notification to you requesting comments and particular information in relation to a licence application received from N&C Enterprises Limited in respect of their facility located at The Pit, Kilmeage, Naas, Co. Kildare, Licence Reg. No. W0292-01.

It has been noted that no response to the said notification has been submitted to the Agency to date.

In accordance with Section 42(1)(e)(iii) of the Act, you are asked to address the following:

1. The licence applicant has sought to process construction and demolition (C&D) waste at the facility. Please clarify whether the applicant is authorised by planning permission to process C&D waste.
2. Please provide information on any such authorisation.

A copy of the application submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website [www.epa.ie](http://www.epa.ie).

You are requested to respond to the Agency within 4 weeks of receipt of this notice and furnish any observations your authority has in relation to the licence application.

Where it is intended to submit additional documentation with your observations, it would be much appreciated if you could include an electronic copy of all documents in pdf format on a CD ROM in order to facilitate the publishing of your observations and attachments to the Agency's website.

The application is being processed by the Agency and your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours sincerely,

Ewa Babiarczyk  
Inspector  
Environmental Licensing Programme  
Office of Environmental Sustainability
