

EIA Screening Determination

In accordance with Section 40(2A) of the Waste Management Act 1996, as amended, the Agency has, as part of its consideration of the Waste licence application referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

Licence Application Details:

Reg. No.	W0295-01
Applicant Name:	Kildare Sand & Gravel Limited
Location of Installation:	Boherkill, Rathangan, County Kildare
Licence Application Date:	16 th December 2016
Date of EIA Screening Determination:	1 st February 2017

EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is required for the activity to which the above licence application relates due to the following reasons:

Having considered the information provided by the applicant and the nature, size and location of the activity, it has been determined that the activity constitutes a project to which the EIA Directive applies.

The activity exceeds the following threshold in Schedule 5, Part 2, of the Planning and Development Regulations 2001 as amended:

11. Other projects

- (b) Installations for the disposal of waste with an annual intake greater than 25,000 tonnes not included in Part 1 of this Schedule.
