Reg No: P1042-01

Dear Ms. O'Brien,

I refer to your application for a licence, Mr. Michael Noel O Connor, application reference P1042-01.

I am to advise in accordance with Regulation 10(2)(b)(ii) of the EPA (Industrial Emissions) (Licensing) Regulations 2013, that in the context of the recent publication of the BAT Conclusions for the intensive rearing of poultry or pigs in the Official Journal of the European Union as Commission Implementing Decision (EU 2017/302), the following information is required in support of the application under Regulation 9 of the Regulations:

1. Review the installation activities against the relevant BAT Conclusion requirements as set out in the document referenced above and demonstrate whether your installation meets BAT requirements and how these requirements are satisfied. The format of the review report should be agreed with the inspector below.
2. Tabulate all of the BAT conclusions from the CID document for the Intensive Rearing of Poultry or pigs (Feb 2017). For each BAT conclusion, indicate whether it is applicable to your installation. The following details should also be included in your table.

For all applicable BAT conclusions, state if it is proposed to be put in place and the timeline for implementation. Details of any proposals must be provided.

Where you do not propose to meet the requirements of a particular BAT conclusion, provide reasons and a justification [Regulation 9(2)(h)].

The requested information should be submitted to the Agency within 4 weeks of the date of this notice, in order to allow the Agency to process and determine your application.

In the circumstances, you should make arrangements to have the required documents (1 signed original and 1 copy in hardcopy format, and 2 copies of all files in electronic searchable PDF format on CD-ROM) submitted to the Agency. Your response to this request should be directed to Dorota Richards, Administration Officer, Office of Environmental Sustainability.

Note: Any *telephone enquiries* in relation to the above should be directed to Éimer Godsil at the number above.

All *written communications and replies* should be directed to Elizabeth Lacey, Office of Environmental Sustainability, EPA, PO Box 3000, Johnstown Castle Estate, County Wexford.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries please contact Ms. Éimer Godsil at the number above.

Yours sincerely,

Éimer Godsil  
Environmental Licensing Programme  
Office of Environmental Sustainability
