Notification under Section 42(1D)(a) of the Waste Management Act 1996 as amended

Dear Director of Services

In accordance with the provisions of Section 42(1D)(a) of the above referenced Acts, you are being notified that an application for a Waste licence, to which Section 42(1B)(a)(i) of the above Act applies, was received by the Agency on 18/04/2017. The details of the application are set out below:

- **Name and address of applicant:** Kilsaran Concrete, Piercetown, Dunboyne, Co Meath
- **Location of facility:** Tullykane, Kilmessan, County Meath
- **National Grid Reference:** EE689895,N756969
- **Class and Nature of the Activity:** R3, R4, R5, R12, R13, D15
- **Relevant Inspector:** Ewa Babiarczyk
- **Licence Application Reference No:** W0296-01
- **Planning Application Reference No:** RA170127

A copy of the application, the Environmental Impact Statement (EIS) submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website www.epa.ie.

In accordance with Section 42(1D)(a) of the above Act, you are requested to respond to the Agency **within 4 weeks of receipt of this notice** and furnish any observations your authority has in relation to the licence application and EIS. Where it is intended to submit a large amount of documentation with your observations, it would be much appreciated if you could also include an electronic copy of all documents in pdf format on a CD ROM in order to facilitate the publishing of your observations and attachments to the Agency's website.

Please note that a response to this notice is required even if you have no observations to make.

Please note that all further information received on this licence application will be made available on the Agency's website.

The application is being processed by the Agency and your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours faithfully

Environmental Licensing Programme
