Dear David ,

I refer to your submission LR006924 and subsequent revisions via email and the approval is sought under Condition 10.2 of your Licence W0140-03. I am to advise you that on the basis of the information provided, the Agency approves your recent submission of the 24/11/14

The Agency may at any time, if it considers necessary, revisit and/or revoke this approval.

"Agreement by the Agency of the DMP costings etc. does not constitute an acceptance on the part of the Agency that the DMP costings constitute a description of all potential risks or liabilities or costs that may arise or materialise in relation to the facility but, rather, constitute in the view of the Agency as of 27/11/2014 a general assessment of risk and general estimate of costs to inform the overall environmental management and understanding of the licensed site and the putting in place of FP etc. Where additional costs arise relating to prevention or remediation of environmental pollution, these remain the responsibility of the Licensee".

You are reminded of the requirement to comply with the Conditions of **Waste** Licence W0140-03 at all times.
