Waste Licence Application in respect of N&C Enterprises Limited at The Pit, Kilmeage, Naas, County Kildare

Dear Mr Sheils

I refer to your application for a Waste Licence in respect of N&C Enterprises Limited at The Pit, Kilmeage, Naas, County Kildare.

I am to advise you in accordance with Regulation 42(8)(a) of the European Communities (Birds and Natural Habitats) Regulations 2011 as amended, that the Agency has made a determination that an Appropriate Assessment is not required as the project, individually or in combination with other plans or projects, is not likely to have a significant effect on a European site(s). Notification of this determination is attached for your reference.

The application and associated correspondence, including acknowledgements, notifications and general correspondence are available to view on the Agency website at www.epa.ie. You are advised to refer to the website for information on the progress of the application.

Please direct any further correspondence in relation to this matter to Administration, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, P.O. Box 3000, Johnstown Castle Estate, County Wexford.

Yours sincerely

Programme Officer

Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations 2011 as amended, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activities, individually or in combination with other plans or projects are likely to have a significant effect on European Sites. In this context, particular attention was paid to the European Sites listed below.

Consent Details:

Reg. No.	W0292-01
Applicant Name:	N&C Enterprises Limited
Type of Consent Sought:	Waste Licence
Location of Facility:	The Pit, Kilmeage, Naas, County Kildare
Licence Application Date:	10 th June 2016
European Sites assessed:	Ballynafagh Bog SAC (Site Code: 000391) Pollardstown Fen SAC (Site Code: 000396) The Long Derries, Edenderry SAC (Site Code: 000925) Ballynafagh Lake SAC (Site Code: 001387) Mouds Bog SAC (Site Code: 002331)
Date of AA Screening Determination:	10 th January 2017

AA Screening Determination:

That the activities are not directly connected with or necessary to the management of any European site and that it can be excluded, on the basis of objective information, that the activities, individually or in combination with other plans or projects, will have a significant effect on any European site and accordingly determined that an Appropriate Assessment of the activities was not required.

The reasons for which the Agency determined that an Appropriate Assessment is not required are as follows:

- The facility is not located within the above listed European Sites.
- There will be no emissions to surface water courses from the activities.
- The activities will not result in damage to, or loss of, species and habitats of these European Sites.

THE HISTORY OF THE UNITED STATES

The history of the United States is a story of growth and change. From the first settlers to the present day, the nation has evolved through various stages of development. The early years were marked by exploration and the establishment of colonies. The American Revolution led to the birth of a new nation, and the subsequent years saw the expansion of territory and the growth of industry. The Civil War was a pivotal moment in the nation's history, leading to the abolition of slavery and the strengthening of the federal government. The 20th century brought significant social and economic changes, including the rise of the industrial revolution and the emergence of the United States as a global superpower. Today, the United States continues to face new challenges and opportunities, and its history remains a source of inspiration and guidance for the future.
