Subject: FW: W0293-01 Calary Soil Recovery Facility : Article 12 Compliance Request

Dear Ms. Babiarczyk

Further to our telephone conversation yesterday, I write to formally request a further 3 week extension to the submission date for further information in respect of the waste licence application by Roadstone Limited for a soil waste recovery facility at Calary Quarry (Ref. W0293-01).

The extension of time (to 1 December 2017) is required to facilitate collation of information / test results obtained in recent days and subsequent review and sign off by Roadstone prior to submission.

We trust that this proposal is acceptable to the Agency. Please contact the undersigned should you require to discuss this further.

Regards

Derek Luby
Technical Director - Geotechnical Engineering
