Dear Mr. Conroy

I refer to your application for a waste water discharge licence relating to agglomeration named Courtmacsherry Timoleague, Reg. No. D0294-02.

Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Regulation 16 of the Waste Water Discharge (Authorisation) Regulations 2007, as amended.

You are therefore required, in accordance with Regulation 18(3)(b) of the Regulations, to take steps to supply the information detailed below:

REGULATION 16 COMPLIANCE REQUIREMENTS

- Provide an update of the situation at the Courtmacsherry Timoleague agglomeration. Provide a timeframe for the construction and the operation of the proposed new waste water treatment plant for the agglomeration.
- Provide dates for the decommissioning of all the secondary discharge points within the agglomeration.

Your reply to this notice should include a revised non-technical summary which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Please supply the information by 22/01/2018. Please note that all maps/drawings should not exceed A3 in size.

Please direct any queries that you may have in relation to the above to the Inspector Yvonne English at 053-9160600 or to OCLR Admin Team B.

Yours sincerely,

Yvonne English
