

EIA Screening Determination

In accordance with Section 40(2A) of the Waste Management Act 1996, as amended, the Agency has, as part of its consideration of the Waste licence application referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

Licence Application Details:

Reg No.	W0297-01
Applicant Name:	Harp Refrigerants Limited
Location of Installation:	Harp Refrigerants Limited, Unit 2, Whitestown Road, Whitestown Industrial Estate, Tallaght, Dublin 24.
Licence Application Date:	2 nd June 2017
Date of EIA Screening Determination:	5 th January 2018

EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is not required for the activity to which the above licence application relates.

Having considered the information provided by the applicant, the nature, size and location of the activity and the mitigation measures proposed by the applicant it has been determined that

- the activity does not constitute a project to which the EIA Directive applies and that the activity is unlikely to give rise to significant effects on the environment by virtue of its nature, size and location.
