Dear Mr Naughton

We are currently processing three transfer applications related to;

- W0140-04 Rathdrinagh, Beauparc, Navan, County Meath
- W0261-02 Cappagh Road, Finglas, Dublin 11

We note that the CRO website lists Nurendale Unlimited Company's status as "Liquidation" from effective date 08/09/2017. According to the transfer application documentation submitted, Starrus Eco Holdings is stated as being 'acquired' by the Nurendale company.

To assist with our assessment, please provide comprehensive details of beneficial ownership and associated corporate structures (including any other relevant persons such as intermediary companies) for Starrus Eco Holdings and how it satisfies the requirement to be a fit and proper person.

Yours sincerely,
