Liz

I refer to your previous correspondence of 31th May in relation to
Mr. Declan Sullivan.

As you will appreciate the applicant is keen to have this application decided as expediently as possible, and is disappointed in the proposed delay.

At this time the applicant is willing to approve an extension of the duration requested however the applicant would appreciate if the Agency would take all necessary steps to ensure that this application is decided as soon as may be practicable.

Should you require any further information please do not hesitate to contact me.
