Reg No: W0140-05

Dear Mr Naughton

I refer to your application for a licence review.

I am to advise in accordance with Regulation 10(2)(b)(ii) of the EPA (Industrial Emissions) (Licensing) Regulations 2013, that the following information is required in support of the application under Regulation 9 of the Regulations:

1. Please provide an updated Environmental Impact Statement in accordance with the requirements of the 2014 EIA Directive.
2. Provide a comprehensive review for the Reference Document on the Best Available Techniques for Waste Incineration, August 2006 in relation to the treatment of non-hazardous incinerator ash.
3. Clarify the position in relation to air emission point A2-3 in the context of the proposed change to activities on site.
4. Provide a precise breakdown of all wastes to be accepted including list of waste (low) codes and tonnages.
5. Clarify the containment and treatment options being proposed for all building and yard run off associated with Building 4.
6. Provide a copy of the most recent planning permission and planning authority inspector's report for the site.
7. Provide gas, electricity and gas oil consumption figures for 2017.
8. Provide monitoring data for discharges from the on-site Integrated Constructed Wetlands, and
9. Provide a summary of all non-compliances associated with the licence for the years 2016, 2017 & 2018.

In addition to the above please also provide an updated non-technical summary to reflect the information provided in your reply.

The requested information should be submitted to the Agency within **eight weeks** of the date of this notice, in order to allow the Agency to process and determine your application.

Note: Any *telephone enquiries* in relation to the above should be directed to **Breen Higgins** at the number above.
All *written communications and replies* should be directed to **Grainne Oglesby**, Office of Environmental Sustainability, EPA, PO Box 3000, Johnstown Castle Estate, County Wexford.

In the circumstances, you should make arrangements to have the required documents (1 signed original and 1 copy in hardcopy format and 2 copies of all files in electronic searchable PDF format on CD-ROM) submitted to the Agency. Your response to this request should be directed to Grainne Oglesby, Administration Officer, Office Environmental Sustainability.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries please contact Breen Higgins at the number above.

Yours sincerely

Breen Higgins
