

Memorandum.

File No.: 01. JA0032
To: Board
From: Philip Green, Assistant Director of Planning.
Date: 11/05/12

I have noted the recommendation of the Inspector on this case in regard to the need for an Oral Hearing.

File hereby forwarded to the Board for Direction pursuant to Chief Officer's memo dated 12th March 2009 in that in cases where an oral hearing has been requested and the DP or ADP are of the view that an oral hearing would not be warranted or necessary the file should be forwarded to the Board to determine whether or not an oral hearing is to be held.

The Inspector has recommended that no oral hearing be held in this case. I would support this recommendation

Philip Green.
