RE:

Clerical Amendment to Waste Water Discharge Licence number

D0463-01 for the Knockaconny Agglomeration.

#### Introduction

A Waste Water Discharge Licence was first granted for the Knockaconny agglomeration by the Environmental Protection Agency on the 4<sup>th</sup> September 2013. Reg No. D0463-01.

## **Reason for Clerical Amendment**

The reason for the Clerical Amendment is to correct a typographical error that occurred in the final licence document. Change the co-ordinates for Storm Water Overflow TPEFF2400D0463SW002 from E256270, N323709 to E268917, N335781 in *Schedule A.3: Storm Water Overflows*.

### Recommendation

I recommend that the licence amendment be approved as set out in the attached recommended Clerical Amendment. Such an amendment does not result in the relevant requirements of Regulation 6(3) of the *Waste Water Discharge* (Authorisation) Regulations 2007, (as amended) ceasing to be satisfied.

Michael Martin
