## Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations 2011 as amended, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the proposed activity, individually or in combination with other plans or projects is likely to have a significant effect on European Sites. In this context, particular attention was paid to the European Sites listed below.

### Consent Details:

Reg. No.	W0296-01
Applicant Name:	Kilsaran Concrete Unlimited Company
Type of Consent Sought:	Waste Licence
Location of Facility:	Tullykane, Kilmessan, County Meath.
Licence Application Date:	18 <sup>th</sup> April 2017
European Sites assessed:	River Boyne and River Blackwater SAC (Site Code: 002299) River Boyne and River Blackwater SPA (Site Code: 004232)
Date of AA Screening Determination:	25 <sup>th</sup> July 2018

### AA Screening Determination:

That the proposed activity is not directly connected with or necessary to the management of any European site and that it can be excluded, on the basis of objective information, that the proposed activity, individually or in combination with other plans or projects, will have a significant effect on any European site and accordingly determined that an Appropriate Assessment of the proposed activity was not required.

The reasons for which the Agency determined that an Appropriate Assessment of the proposed activity is not required are as follows:

- The facility is not located within the above European Sites.
- There will be no process discharges to surface water from the activity.
- The activity will not result in damage to, or loss of, species and habitats of these European Sites.
