Re: Declaration for the purposes of Section 76A(9)(b)(ii) of the Waste Management Act 1996 as amended

Reg. No.: W0234-02
Licensee: Waterford City Council

Date: 16/12/2015

Dear Mr. Walsh,

As you are aware the European Union (Industrial Emissions) Regulations 2013 made a number of amendments to the provisions of the Environmental Protection Agency Act 1992 as amended and the Waste Management Act 1996 as amended, for the purposes of giving effect to the requirements of Directive 2010/75/EU (Industrial Emissions Directive).

In this regard the provisions of these Acts have been amended to include a requirement that the Agency examine all licences granted. The purpose of the examination is to establish if licences, in respect of activities listed in Annex I to the Industrial Emissions Directive, comply with the requirements of that Directive.

Having confirmed that your licence, Reg. No. W0234-02, was in force on the coming into operation of this amendment, and in accordance with Section 76A(10) of the Waste Management Act 1996 as amended, the Agency consulted with Waterford City Council W0234-02 in correspondence dated 20/07/2015 and 10/12/2015; and has examined your responses dated 04/08/2015 and 10/12/2015.

In accordance with Section 76A(9)(a) of the Waste Management Act 1996 as amended, the Agency has examined the terms of the revised licence granted to Waterford City Council on 06/02/2014 in respect of the facility located at Green Road, Kilbarry, Six Cross Roads Business Park, Waterford City, Waterford; and the information provided by you in the correspondence detailed above, for the purposes of determining if the licence is required to be amended to bring it into conformity with the Industrial Emissions Directive as provided for in the legislation.

Having completed its examination, the Agency has determined that your licence Reg. No. W0234-02 does not relate to an Industrial Emissions Directive activity as defined in the Environmental Protection Agency Acts 1992, as amended. Hence, your licence, Reg. No. W0234-02 does not relate to an Industrial Emissions Directive activity as defined in the Environmental Protection Agency Acts 1992, as amended, and thus, will remain as a Waste Licence. Accordingly no further action is required to bring the licence into conformity with the IE Directive.

This notice is for the purposes of Section 76A(9)(b)(ii) of the Waste Management Act 1996 as amended only, and nothing in this notification shall be construed as negating the licensee's statutory obligations or requirement under this Act.

Yours sincerely,

Eimear O'Keeffe
