Reg. No. W0183-02

Dear Mr Naughton

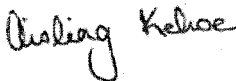

I refer to your application for an Industrial Emissions licence Reg. No. W0183-02 and to the Agency's letter of 12/09/17 seeking the submission of further information in order to complete the documentation required by the Agency to determine the application.

The Agency's letter of 31/05/18 requested the submission of this documentation and sought information on the progress made to date by the company in this regard by 14/06/18.

The Agency is very concerned that you have not responded to this request and not communicated any difficulties in this regard. In the circumstances the Agency directs you to submit all the outstanding information requested 28/08/18. You should confirm your intent to do so by immediate return of email to licensing@epa.ie.

In this regard, you should note that failure to comply with this request may result in the Agency activating Regulation 19 of the EPA Industrial Emissions (Licensing) Regulations 2013.

Yours sincerely
