

EIA Screening Determination

In accordance with Section 83(2A) of the EPA Act 1992, as amended, the Agency has, as part of its consideration of the IE review application referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

Licence Application Details:

Reg No.	W0140-05
Applicant Name:	Starrus Eco Holdings
Location of Installation:	Rathdrinagh Beauparc Navan Co Meath
Licence Application Date:	21 April 2017
Date of EIA Screening Determination:	01 August 2018

EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is not required for the activity to which the above licence application relates.

Having considered the information provided by the applicant, the nature, size and location of the activity it has been determined that

- the activity/changes to the activity do not constitute a project to which the EIA Directive applies and that the activity is unlikely to give rise to significant effects on the environment by virtue of its nature, size and location.
