Dear Magnus,

Further to our email communications dated 19th October 2018, wherein you are seeking an improved, clearer site map, namely Attachment C1 Site Boundary, for the 2011 Certificate of Authorisation application (H0004-01), I attach an updated Attachment C.1 with site boundary as a solid red line.

The current adjoining land use is predominantly agricultural grassland (GA1) or marshland.

Please confirm this drawing now meets with your requirements.

Yours sincerely
