28/05/2018

A Chara,

I received your Planning Application on 10/05/2018 for **Permission** to carry out the following development:

An expansion to facilitate an increase in tonnage to 100,000 tonnes per annum of an existing Materials Recovery Facility. The proposed development will consist of 2 no. extensions to the existing waste handling building to allow for a proposed waste reception area, associated modifications to the facade, 1 no. diesel tank, external storage of ferrous and non ferrous metals, modifications to the site entrance including a new gate, fencing and all ancillary site development works.

The Proposed development comprises of an activity requiring an Industrial Emissions Directive License. An Environmental Impact Assessment Report (EIAR) has been prepared and will be submitted to the Planning Authority with the application.

AT: Forge Hill, Ballycurreen, Co. Cork.

Your application Register No. is **18/05/176** which you should please quote in all future correspondence.

I enclose receipt no. PLG21666 in respect of planning fee in the amount of €7031.41.

Please note that the validity of your application is subject to the site notice complying with the Planning and Development Regulations 2006 (as detailed on the site notice proper). An inspection of the site may be carried out within the required period for display of the site notice and in the event that the site notice does not comply your application will be declared INVALID and returned to you notwithstanding the fact that this acknowledgement has issued.

Yours faithfully,

Margaret Lucey
