**REGISTERED POST**

16 November 2018

Reg. No.: W0183-02

Notice in accordance with Regulation 19(2) of the EPA (Industrial Emission) (Licensing) Regulations 2013 as amended, in respect of a licence review from Starrus Eco Holdings Limited for an installation located at Starrus Eco Holdings Limited (Millenium Business Park), Millennium Business Park, Grange, Ballycoolin, Dublin 11, Dublin

Dear Mr Naughton,

I refer to your application for a licence review, W0183-02 which was received by the EPA on 01 March 2017.

As you are aware, the EPA assessed your application for compliance with the above referenced regulations and requested outstanding information in order to complete the application.

The requested information has not been received by the Agency to date.

The Agency has specified a deadline of 24 days for all outstanding information to be submitted.

I enclose a Notice in accordance with relevant legislation. If a submission is not received within the time limit, the application will be regarded as having been abandoned.

Failure to provide the outstanding information within the time limit will also be regarded by the Agency as you having abandoned this application.

The Agency is empowered to treat the application as abandoned even if a submission is made and/or the documentation furnished is not satisfactory. You should therefore treat this notice as one of primary importance and possibly the last opportunity for you to comply with your statutory obligations.

A person shall not carry on a licensable activity unless a licence or revised licence is in force in relation to that activity. Carrying on any unlicensed activity may result in prosecution.

Yours faithfully,

---
