Subject: Historic Landfill Cert of Authorisations

Brian

I contacted the EPA some time ago regarding getting a copy of the 2 Historic Landfill License applications made by Kildare County Council for Certificates of Authorisation.

KCC applied for Certs for 2 sites; Carrigaeen H0210 and Pollardstown Refuse Depot H0228 in early 2014 which was before my time looking after this area. Unfortunately given that the applications were made on line through EDEN I dont seem to be able to find a copy of what exactly was applied for. When i contacted the EPA previously I was advised that the software for viewing the applications had not yet been developed and therefore it was not possible to get a copy.

We will be meeting representatives from the Eastern Midlands Regional Office in the next few weeks to discuss these sites so I am wondering if there is any update on the applications, and on viewing them on Eden.

Many thanks

Yvonne
