Ref: Section 87(3) of EPA Act 1992 as amended in respect of licence application from Forge Hill Recycling Unlimited Company for an installation located at Forge Hill Recycling Unlimited Company, Forge Hill Waste Transfer Station, Forge Hill, Cork, T12 AK44.

Dear Sir or Madam,

I refer to our application for a licence received by the EPA on 05 November 2018 and the Agency's letter dated 14/12/18.

Forge Hill Recycling consents in order for the EPA to make a full and complete assessment of this licence application in accordance with Regulation 14(2) of the EPA (Industrial Emissions)(Licensing) Regulations 2013, to extend the appropriate period by which the Agency must issue a proposed determination to 08/05/2019.

Due to commercial reasons we would ask that a determination is made by the Agency no later than 08/05/2019.
