

EPA Application Form

6.1 - Stakeholder Engagement - Attachment

Organisation Name: *

Bord na Móna Public Limited Company

Application I.D.: *

LA001696

For inspection purposes only.
Consent of copyright owner required for any other use.

6. Stakeholder Engagement

Please answer ALL questions where possible

6.1. Relevant Authorities

Regional Health Service Executive

Select *Regional Health Service Executive* relevant to this application: *

HSE Dublin Mid Leinster

Water Services

Is there a trade effluent discharge to sewer? (Yes/No) *

No

Proceed to question 6.2.

If you have an effluent discharge licence (under Section 16 of the Water Pollution Act 1977 as amended), upload a copy in to application form (select Document Type: 'Effluent Discharge Licence').

Effluent Discharge Licence file name:

6.2. Appropriate Assessment

Upload an appropriate assessment screening report with your application (select Document Type: 'AA - Screening') *

AA Screening report file name:

Attachment-6-2-1-AA-Screening-November-2018

Does the appropriate assessment screening report conclude that a Natura Impact Statement (NIS) is required? (Yes/No) *

Yes

If 'Yes' upload a copy of the the Natura Impact Statement (NIS) in to the application form (select Document Type: 'NIS')

Natura Impact Statement (NIS) file name:

Attachment-6-2-2-NIS-November-2018

6.3. Planning

Select Planning Authority relevant to the application:*

Kildare County Council

Considering the **entire** installation/facility to which the application and activity relates, has planning permission ever been required for the site? (Yes/No) *

Planning Granted - Page 1 of 2

Are there planning applications which have been granted that are RELEVANT to this application? (Yes/No)*

Complete the table below with summary details of all RELEVANT planning applications which have been granted.

The following table contains additional guidance for certain columns where you see the small red triangle in the header. To view the guidance simply hover over the column header.

Planning Reference No.	Upload a copy of planning decision AND planner's report (select Document Type: 'Planning Decision' for each document). <i>- enter file name(s) or enter links to web copies</i>	Was an EIS/EIAR submitted with the planning application? (Yes/No)	Upload a letter of confirmation if EIA was NOT required (select Document Type: 'EIA Confirmation - Planning'). <i>- enter file name in table below</i>	Did the planning authority make a DETERMINATION that an AA is required? (Yes/No)	PAGE BREAK FOR PRINTING

6.8. Confidential Information

Should you consider information to be confidential, this information should be submitted in a separate enclosure to the headquarters of the EPA bearing the legend “In the event this information is deemed not to be held as confidential, it must be returned to”. In the event that the information is considered to be of a confidential nature, then the nature of this information, and the reasons why it is considered confidential (with reference to the “Access to Information on the Environment” Regulations) should be stated in the submission and the ‘Application Form’, where relevant.

Have you submitted information you consider to be confidential to the headquarters of the EPA? (Yes/No) *

Yes

If 'Yes' please state below: (1) **the nature of the information**; (2) **the reasons why it is considered confidential** (with reference to the "Access to Information on the Environment" Regulations), and; (3) **the date the information was sent to the headquarters of the EPA**.

(1) Nature of the Information:

The Environmental Liabilities Risk Assessment (ELRA) and Closure, Restoration and Aftercare Management Plan (CRAMP) reports are both considered to be Confidential Information.

(2) Resaons Why:

The ELRA and CRAMP include detailed costings as required which are of a commercially sensitive nature and Bord na Móna does not wish to disclose this detailed financial information to the public. In respect of the Access to Information on the Environment Regulations, the financial information contained within the ELRA and CRAMP reports is not considered to be 'Environmental Information' which the public are entitled to seek access to. Any information on the site infrastructure or environmental sensitivity presented in the ELRA or CRAMP is also presented in the EIAR's and other documentation submitted with this application which is not considered Confidential Information.

(3) Date Information sent to EPA:

A CD containing the ELRA and CRAMP reports has been posted to the EPA Headquarters on 18 December 2018.

6.9. Stakeholded Engagement Upload Files

State the number of upload files referred to and named in this attachment document? *

47
