##### APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE

Roadstone Ltd, Fortunestown, Dublin 24, D24 PK2 intends to apply to the Environmental Protection Agency for a waste licence for the operation of a waste recovery facility on lands at Garryhesta Pit, Knockanemore, Ovens, Co. Cork, P31 VR66 (National Grid Reference 152439E, 069797N).

The nature of the development is the restoration of part (c. 6.7 ha) of existing quarry (QR19 06/1738 & PL04.225332) by importation of up to 300,000 tonnes per annum of inert soil and stones and river dredging spoil (EWC 17-05-04 and 17-05-06). The proposed Soil Recovery Facility will utilise the permitted quarry infrastructure including internal roads, site office, welfare facilities and other ancillaries to complete the works. Access to the site will be from the permitted main entrance on the N22 National Primary Road. A wheel wash and weighbridge will be provided as part of the proposed development and the existing workshop will be utilised as a quarantine area. A hard-stand with drainage to oil interceptor will also be provided as a designated refuelling area. The total application area including the site infrastructure covers 7.9ha of lands. Cork County Council issued notification of decision to grant planning permission (P.Ref. No. 18/05155) for the above development on 22/11/2018.

The principal activity is Class R 5 of the Fourth Schedule of the Waste Management Act 1996, as amended (recycling/reclamation of other inorganic materials, which includes soil cleaning resulting in recovery of the soil and recycling of inorganic construction materials). Other activities include Class R 13 of the Fourth Schedule (Storage of waste pending any of the operations numbered R 1 to R 12 (excluding temporary storage (being preliminary storage according to the definition of 'collection' in section 5(1)), pending collection, on the site where the waste is produced)).

A copy of the Environmental Impact Assessment Report (EIAR) will be submitted to the Agency with the Waste Licence Application.

A copy of the application for a waste licence, the Environmental Impact Assessment Report (EIAR) and such further information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application, will, as soon as practicable after receipt by the Agency, be available for inspection or purchase, at the headquarters of the Agency.
