TECHNICAL AMENDMENT E
TO
INDUSTRIAL EMISSIONS LICENCE

Licence Register Number:	W0003-03
Licensee:	South Dublin County Council
Location of Installation:	Ballymount Baling Station, Ballymount Road, Walkinstown, Dublin 12

Reasons for the Decision

The Environmental Protection Agency is satisfied, on the basis of the information available, that subject to compliance with the conditions of Licence Reg. No. **W0003-03** granted on the **4th June 2003**, (and amended on **9th August 2005**, **16th December 2015**, **22nd April 2016**, **20th July 2016** and **7th June 2017**) as well as any amendments noted herein, any emissions from the activity will comply with and not contravene any of the requirements of Section 83(5) of the Environmental Protection Agency Act 1992 as amended.

A screening for Appropriate Assessment was undertaken to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activity, individually or in combination with other plans or projects is likely to have a significant effect on any European Site. In this context, particular attention was paid to the European Site(s) at Glenasmole Valley SAC, Wicklow Mountains SAC, South Dublin Bay SAC, Wicklow Mountains SPA and South Dublin Bay and River Tolka Estuary SPA.

The activity is not directly connected with or necessary to the management of any European Site and the Agency considered, for the reasons set out below, that it can be excluded, on the basis of objective information, that the activity, individually or in combination with other plans or projects, will have a significant effect on any European Site and accordingly determined that an Appropriate Assessment of the activity was not required. This determination is based on the fact that the proposed amendments will not result in a material change to the nature of the discharges from the agglomeration.

Technical Amendment

In pursuance of the powers conferred on it by Section 96(1) (c) of the Environmental Protection Agency Act 1992 as amended, the Agency amends the licence, granted to **South Dublin County Council, PO Box, 4122, Town Centre, Tallaght, Dublin 24** for an installation located at **Ballymount Baling Station, Ballymount Road, Walkinstown, Dublin 12.**

This technical amendment is limited to the following Condition(s):
