Acknowledgement of an Objection on EPA Licence Application – Calary Quarry - W0293

Dear Sir or Madam,

The EPA acknowledges receipt on 16/01/2019 of your valid objection and fee in relation to the proposed determination/ decision issued on 11/12/2018.

Your correspondence will be treated as a formal objection and will be considered as part of the examination, assessment and decision on the proposed determination/ decision by the EPA. If an Oral Hearing has been requested, and the appropriate fee received, the Board of the EPA will consider your request in the due course and you will be notified of its decision.

In the event that the EPA receives further objections, in accordance with the relevant legislation all objections will be circulated to all other parties. Should that occur, you will be notified in due course. Each party to the objection is entitled to make a submission/comments on such objections within one month of the copy of the objection being circulated. Submissions on objections must be complete and received within the stated period.

All valid objections will be considered in accordance with the relevant legislation and you will be notified in due course of the decision of the Board of the EPA.

All documentation relating to this application is available for inspection on the EPA website at www.epa.ie.
