EPA Notification – Licence Application/Review Received

Dear Sir/Madam,

In accordance with the provisions of the applicable licensing regulations, you are being routinely notified that an application for a licence, details of which are set out below, was received by the Agency on 08 February 2019.

- Licence Type: Waste
- Name and address of applicant: Kilsaran Concrete Unlimited Company,
Piercetown, Dunboyne, Meath
- Location of facility: Halverstown, Kilcullen, Kildare, R56 DD21
- Reference No: W0300-01
- EIS submitted: Yes

<u>Classes and Nature of Activity in accordance with the Waste Management Act 1996 as amended</u>		
Class of Activity	Principal Activity	Class of Activity Description
R05	Yes	Recycling/reclamation of other inorganic materials, which

		includes soil cleaning resulting in recovery of the soil and recycling of inorganic construction materials
R03	No	Recycling/reclamation of organic substances which are not used as solvents (including composting and other biological transformation processes), which includes gasification and pyrolysis using the components as chemicals
R13	No	Storage of waste pending any of the operations numbered R 1 to R 12 (excluding temporary storage (being preliminary storage according to the definition of 'collection' in section 5(1)), pending collection, on the site where the waste is produced)".

The application is being processed by the Agency and you will be notified of the proposed decision in due course. In this regard any comments in relation to this application should be forwarded to the Agency as soon as possible. A copy of the application and associated correspondence are available for public inspection on the Agency's website www.epa.ie.

Please direct any queries that you may have in relation to the above to licensing@epa.ie.

Please note that there is no requirement for you to acknowledge receipt of this notice.

If you have no comments to make in relation to this application, there is no requirement for you to reply to the Agency.

Yours sincerely,

Environmental Licensing Programme
Office of Environmental Sustainability
