A copy of the application, the Environmental Impact Statement (EIS) submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website www.epa.ie.

In accordance with, Section 42(1E)(a) of the Waste Management Act 1996 as amended you are requested to respond to the Agency **within 4 weeks of receipt of this notice** with the following information.

1. State whether the activity to which the licence application relates is permitted by the grant of permission referred to above.
2. Furnish all documents relating to the EIA carried out by your authority in respect of the development or proposed development to which the grant of permission refers. **Please provide the Agency with a list of the names of those documents and provide an electronic copy of the documents on disk so that the Agency can upload them to the Agency's website for public inspection.**
3. Provide any observations your authority has in relation to the licence application.

Where it is intended to submit a large amount of documentation with your observations, it would be much appreciated if you could also include an electronic copy of all documents in pdf format on a CD ROM in order to facilitate the publishing of your observations and attachments to the Agency's website.

Please note that a response to this notice is required even if you have no observations to make and your response will be taken into consideration in the assessment of the application.

Please note that all further information received on this licence application will be made available on the Agency's website.

The application is being processed by the Agency and your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours faithfully,

Environmental Licensing Programme

Environmental Protection Agency.
