

EIA Screening Determination

In accordance with Section 40(2A) of the Waste Management Act 1996, as amended, the Agency has, as part of its consideration of the Waste licence application review referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

Licence Application Details:

Reg No.	W0062-02
Applicant Name:	Churchtown Landfill
Location of facility:	Churchtown, Lifford, Donegal
Licence Application Date:	26 th May 2017
Date of EIA Screening Determination:	12 th February 2019

EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is not required for the activity to which the above licence application relates.

Having considered the information provided by the applicant, the nature, size and location of the activity, it has been determined that

- The licence application is for a project that is below the thresholds stipulated in Schedule 5 of the Planning and Development Regulations, 2001, as amended.
