On behalf of Starrus Eco Holdings Limited

9th March 2017

Reg. No.: W0183-02

**Section 87(1E)(a) of the EPA Act 1992 as amended, in respect of a licence review from Starrus Eco Holdings Limited for an installation located at Millennium Business Park, Grange, Ballycoolin, Dublin 11.**

Dear Sir or Madam,

In accordance with the provisions of Section 87(1E)(a) of the EPA (Industrial Emissions) (Licensing) Regulations as amended, you are being notified that an application for a licence review, to which Section 87(1B)(a)(i) of the EPA Act 1992 as amended, applies, was received by the Agency on 01/03/17. The details of the application are set out below:

|                                      |                                                                                    |
|--------------------------------------|------------------------------------------------------------------------------------|
| - Name and address of applicant:     | Starrus Eco Holdings Limited, Fassaroe, Bray, Wicklow                              |
| - Location of facility:              | Starrus Eco Holdings Limited, Millenium Business Park, Grange, Ballycoolin, Dublin |
| - Relevant Inspector:                | Anne Lucey                                                                         |
| - Licence Application Reference No:  | W0183-02                                                                           |
| - Planning Application Reference No: | F02A/1474                                                                          |

| <b>Classes and Nature of Activity in accordance with the EPA Act 1992 as amended</b> |                      |                                          |                                                                                                                                                                                                                                                                                                                                            |

| <b>Class of Activity</b>                                                             | <b>Main Activity</b> | <b>EPA Act Sector (where applicable)</b> | <b>Class of Activity Description</b>                                                                                                                                                                                                                                                                                                       |
| 11.1                                                                                 | No                   | Waste                                    | The recovery or disposal of waste in a facility, within the meaning of the Act of 1996, which facility is connected or associated with another activity specified in this Schedule in respect of which a licence or revised licence under Part IV is in force or in respect of which a licence under the said Part is or will be required. |
| 11.4                                                                                 | Yes                  | Waste                                    | Recovery, or a mix of recovery and disposal,                                                                                                                                                                                                                                                                                               |

|         |  |                                                                                                                                                                                                                                                                                                  |
|---------|--|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| (b)(ii) |  | of non-hazardous waste with a capacity exceeding 75 tonnes per day involving one or more of the following activities, (other than activities to which the Urban Waste Water Treatment Regulations 2001 (S.I. No. 254 of 2001) apply): pre-treatment of waste for incineration or coincineration; |
|---------|--|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

A copy of the application, the Environmental Impact Statement (EIS) submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website [www.epa.ie](http://www.epa.ie).

In accordance with, Section 87(1E)(a) of the EPA Act 1992 as amended, you are requested to respond to the Agency **within 4 weeks of receipt of this notice** with the following information.

1. State whether the activity to which the licence application relates is permitted by the grant of permission referred to above.
2. Furnish all documents relating to the EIA carried out by your authority in respect of the development or proposed development to which the grant of permission refers. **Alternatively, where such EIA documents are available to view on your website, please provide the Agency with a list of the names of those documents and provide a link to their location on your website.**
3. Provide any observations your authority has in relation to the licence application.

Where it is intended to submit a large amount of documentation with your observations, it would be much appreciated if you could also include an electronic copy of all documents in pdf format on a CD ROM in order to facilitate the publishing of your observations and attachments to the Agency's website.

**Please note that a response to this notice is required even if you have no observations to make** and your response will be taken into consideration in the assessment of the application.

Please note that all further information received on this licence application will be made available on the Agency's website.

The application is being processed by the Agency and your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours faithfully,

*Environmental Licensing Programme.*
