Department of Agriculture, Food and the Marine

Craft Worker (Carpenter) Killybegs Fishery Harbour Centre

The Department of Agriculture, Food and the Marine invites applications for the position of Craft Worker (Carpenter) in its Fishery Harbour Centre in Killybegs, Co. Donegal.

The Craft Worker may be required to carry out maintenance and repairs to piers, slipways, etc. at the Fishery Harbour Centre and in other locations as directed by the Department's Marine Engineering Division.

In addition to the essential carpentry role, the successful candidate will be expected to undertake a variety of general construction and repair duties which require a range of skills. The principal skills required will be those relevant to 1st and 2nd fixing, formwork, roofing and include operating carpentry machinery in the workshop such as power tools e.g. drills, routers, power saws, jigsaw etc.

Further information including essential requirements, pay scale and an application form are available from:

<https://www.agriculture.gov.ie/customerservice/careers/currentcompetitions/>

Closing date for receipt of applications is 4pm on Thursday 28th March 2019.

The Department of Agriculture, Food and the Marine is an equal opportunities employer.

Comhairle Contae Dhún na nGall Donegal County Council

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR THE REVIEW OF A WASTE LICENCE

NOTICE IS HEREBY GIVEN in accordance with the provisions of the Waste Management Act, 1996 and Articles 6 and 7 of the Waste Management Licensing Regulations (SI No. 395 of 2004), that Donegal County Council, County House, Lifford Co Donegal, will apply to the Environmental Protection Agency (EPA), Johnstown Castle Estate, County Wexford, for a review of the waste licence (Ref No W0062-01) for the Churchtown Landfill Site, Churchtown, Lifford, Co. Donegal. The review is required to provide for authorisation of discharge of treated landfill leachate to the River Finn. The National Grid Reference for the facility is 230985E 395986N.

The classes of activity concerned are specified in the Third Schedule of the Waste Management Act, 1996, as amended:

- D 1 Deposit into or on to land (e.g. landfill, etc.)
- D 4 Surface impoundment (e.g. placement of liquid or sludgy discards into pits, ponds or lagoons, etc.)
- D 15 Storage pending any of the operations numbered D 1 to D 14 (excluding temporary storage (being preliminary storage according to the definition of 'collection' in section 5(1)), pending collection, on the site where the waste is produced)

The principal activity is D4 of the Third Schedule as given above.

The Application for the review of the Waste Licence and such further information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application, will, as soon as is practicable after receipt by the Agency, be available for inspection on the Agency's website, and inspection or purchase, at the EPA Headquarters, Johnstown Castle Estate, County Wexford and at the Principal Offices of Donegal County Council, County House Lifford Co Donegal.

Mr. Michael McGarvey,
Acting Director of Services,
Water, Environment and Emergency Services,
Donegal County Council
