Hi Kieran,

Thank you for your email. Please note that the EPA's Appropriate Assessment is only documented in the Inspector's Report and an AA Screening Determination notice is issued on foot of the appropriate assessment outlined in the Inspector's Report.

The relevant documents are available on the EPA's website.

Subject: Appropriate Assessment report and Tipperary Town Closed Landfill H0004 01

Dear Magnus, Dear Eve,

I have reviewed the Environmental Protection Agency (EPA) documentation online for the Historic Closed Landfill at Tipperary Town, EPA register reference number H0004-01, and note from Section 5 of the inspectors report on the application for Certificate of Authorisation for a closed landfill (H0004-01) that Appropriate Assessment (AA) has been completed. I note the confirmation of completion of AA is also indicated in Schedule 1 of the Certificate of Authorisation H0004-01.

Can you please forward to me a copy of the EPA's Appropriate Assessment for this project, as it does not appear to be on the EPA web site with the EPA documents?

I confirm that I do have a copy of the EPA's AA Screening Determination, attached.

Yours sincerely,

Kieran McKenna
