

Churchtown Landfill Reg. No. H0291-01

Date: 26th August 2019

Response: EPA Information Request dated 15th August 2019

Background

Limerick City and County Council applied for a Certificate of Authorisation for Churchtown landfill from the EPA on 22nd June 2018.

This report is Limerick City and County Council's response to the Notice issued by the EPA in accordance with Regulation 7(4) of the Waste Management (Certification of Historic Unlicensed Waste Disposal and Recovery Activity) Regulations 2008.

Leachate Discharge to Foul sewer:

There is no authorisation in place for leachate discharge from Churchtown Landfill Newcastle West to the foul sewer. Both the landfill and the foul Sewer Network /Waste Water Treatment Plant were in the ownership of Limerick City & County Council when this discharge commenced.

Limerick City & County Council now intend to apply to Irish Water for a Section 16 discharge licence. This application process will commence this week.
