Dear Mr Geraghty

I am to refer to previous correspondence when the EPA informed you that a final decision issued in relation to this facility. As your submission was considered during the process of licensing this facility I now wish to inform you that the EPA received a request from Galway City Council for a technical amendment, under Section 42B(1) of the Waste Management Act 1996 as amended, to their existing licence for the above mentioned facility.

A copy of the formal Technical Amendment which was issued to the above licensee can be found on the Agency's website – www.epa.ie. The Technical Amendment should be read in conjunction with the existing Licence Reg No W0013-01.
