Clerical or Technical Amendment Application Details

Proposed Alteration Description

The Agency issued a Wastewater Discharge Licence for the Greater Dublin Area agglomeration (D0034-01) on 27th July 2010 and a technical amendment (TA) B on 20th February 2018. Irish Water now requests a Clerical Amendment under Section 33 (1) of the Waste Water Discharge (Authorisation) Regulations 2007, as amended, to amend Schedule A.4 Storm Water Overflows, due to incorrect coordinates provided in original TA request.
