Re: Forge Hill Recycling Unlimited Company, W0291-02

Dear Mr Hamilton,

I am to advise you in accordance with Regulation 42(8)(a) of the European Communities (Birds and Natural Habitats) Regulations 2011 (S.I. No. 477 of 2011) that the Agency has made a determination that an Appropriate Assessment is required as the project, individually or in combination with other plans or projects, is likely to have a significant effect on a European site(s). This determination is attached for your reference.

The application and associated correspondence, including acknowledgements, notifications and general correspondence is available to view on the Agency Website at www.epa.ie. You are advised to refer to the website for information on the progress of the application.

Yours sincerely,

Environmental Licensing Programme

Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations 2011 as amended, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activity, individually or in combination with other plans or projects is likely to have a significant effect on European Sites. In this context, particular attention was paid to the European Sites listed below.

Consent Details:

Reg. No.	W0291-02
Applicant Name:	Forge Hill Recycling Unlimited Company
Type of Consent Sought:	Industrial Emissions Licence Review
Location of installation:	Forge Hill Waste Transfer Station, Forge Hill, Cork, T12 AK44
Licence Review Application Date:	05 November 2018
European Site(s) assessed:	Great Island Channel SAC (Site Code: 001058)
	Cork Harbour SPA (Site Code: 004030)
Date of AA Screening Determination:	11 September 2019

AA Screening Determination:

That the activity is not directly connected with or necessary to the management of any European site and that it cannot be excluded, on the basis of objective information, that the activity, individually or in combination with other plans or projects, will have a significant effect on any European site and accordingly determined that an Appropriate Assessment of the activity is required, and for this reason determined to require the applicant to submit a Natura Impact Statement.

This determination is based on: The discharge from the yard areas may have the potential to have a significant effect on the qualifying interests of the downstream European Sites.
