RE: Millstreet Waste Water Discharge Licence Review Application (D0332-01)

Please find attached the waste water discharge licence review application for Millstreet Agglomeration (D0332-01) in accordance with the Waste Water Discharge Authorisation Regulations, 2007 (S.I. No. 684 of 2007), as amended.

Irish Water are seeking the Agency to prioritise this review application so to regularise the new outfall location in line with the discharge licence, and the upgrade and changes proposed.

I confirm that the content of the electronic files on the accompanying CD-ROM is a true copy of the original application form.

There are 2 hard copies and 2 electronic copies of this application.

A fee of €20,000 was received and made electronically.

I trust the above is satisfactory.

Yours Sincerely,

Peter Keegan

Environmental Licensing Specialist
