Receipt of documentation relating to WWDL D0332-02

Dear Sir/Madam

In accordance with Regulation 21(1) of the Waste Water Discharge (Authorisation) Regulations 2007, as amended, I am to inform you of the receipt on 13/09/2019, of documentation relating to a waste water discharge licence application from Irish Water in relation to agglomeration named Millstreet & Environs, Cork . This application has been assigned register number D0332-02.

The documentation and associated correspondence in connection with the application can be viewed by using the web address below and searching the associated registration number: D0332-02.

<http://www.epa.ie/terminalfour/wwda/index.jsp>

Please refer to the application for the National Grid reference, description of any waste water treatment plant and the location of the discharge point or points.

I am to advise you that any person may make a written submission on-line or by post, to the Agency, pursuant to Regulation 19 of the Regulations.

The Agency will notify you and any person who makes a submission of its decision on the application.

Please direct any queries that you may have in relation to the above to the Inspector Yvonne English or to Eve O'Sullivan.

Please note that there is no requirement for you to acknowledge this notification.

Yours sincerely

Environmental Licensing Programme
