Subject: ABP301615-18 - Quarry at Ballinrooaun, Screen, Co.Wexford

Dear Sir, Madam,

I am writing to you in relation to an Appeal with regard to a quarry development at Ballinrooaun, Screen, Co. Wexford. The file reference is ABP301615-18.

We represent the Applicant (Sean and Michael Kelly) and responded to a 3rd party appeal against the Wexford County Council decision to grant permission for the development. The Applicant is quite concerned over the delay in the determination of the Appeal and the impact that it is having on their livelihood and local employment. We note the recent correspondence from ABP that a decision on the Appeal has been delayed until 7th November 2018.

The Applicant is particularly concerned that the Appeal still seems to be with the Inspector at this stage and has not been forwarded to the Board for consideration. We also understand, from the Applicant, that no one has visited the site and therefore it seems that a Site Visit has still not been carried out for the relevant Appeal which we consider will result in a significant delay on the decision and past the revised date in November, given we understand there are also significant delays at Board level.

Would you be able to provide an update on the status of the Appeal and whether there is a significant delay being experienced in relation to the determination of the Appeal?

Any queries on the above please let me know.

Regards,

Stephen Barrett
