

## EIA Screening Determination

In accordance with Section 40(2A) of the Waste Management Act 1996, as amended, the Agency has, as part of its consideration of the Waste licence application referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

### Licence Application Details:

<b>Reg No.</b>	W0299-01
<b>Applicant Name:</b>	Garryhesta Pit
<b>Location of facility:</b>	Knockanemore, Ovens, Cork, P31 VR66
<b>Licence Application Date:</b>	20 December 2018
<b>Date of EIA Screening Determination:</b>	27 November 2019

### EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is required for the activity to which the above licence application relates due to the following reasons:

Having considered the information provided by the applicant, it has been determined that the activity constitutes a project to which the EIA Directive applies and is likely to give rise to significant effects on the environment by virtue of its nature, size and location.
