AA Screening Determination:

That the activities are not directly connected with or necessary to the management of any European site and that it cannot be excluded, on the basis of objective information, that the activities, individually or in combination with other plans or projects, will have a significant effect on any European site and accordingly determined that an Appropriate Assessment of the activities is required, and for this reason determined to require the applicant to submit a Natura Impact Statement.

This determination is based on the following:

There may be potential for the emissions from the activities to have a significant effect on the qualifying interests of the European Sites.
