RE: Youghal Waste Water Discharge Licence Review Application

Please find attached the Waste Water Discharge Licence Review Application for the Youghal Agglomeration in accordance with the Waste Water Discharge Authorisation Regulations, 2007 (S.I. No. 684 of 2007), as amended.

As you are aware, an amendment to the licence issued on 22 May 2017 was the subject of a High Court judicial review and Irish Water therefore requests the Agency to consider this review application a priority.

I confirm that the content of the electronic files on the accompanying CD-ROM is a true copy of the original application form.

There are 2 hard copies (1 signed original and 1 copy) and 2 electronic copies of this application provided. The application fee of €22,500 has been made electronically, with payment to the Agency to be made on 20 March 2020.

I trust the above is satisfactory.

Yours Sincerely,

Peter Keegan

Environmental Licensing Specialist
